Oakridge School is a self-contained special needs school located on the Springville High School campus. Oakridge has the capacity to service 36 students of varying disabilities from ages 3-22. 100% of the funds raised during the auction will go towards buying devices that will assist the teachers and techs with helping our students reach their goals as outlined in their IEP's.

If you have any questions feel free to contact Heather Ash at 801-358-0545
