

Park View Elementary-Student Council

Fall Student
Council
2013-2014

To Lead Is To Serve

At Park View Elementary, our Student Council believes in service. If you want to be a good leader, you must be service-oriented.

Who is on Student Council?

- Throughout the school year, 36 students in 5th & 6th grades get to be on Student Council for half of the year.
- Four 6th graders are chosen to be the Executive Council for the full year, to help Mrs. Reynolds run Student Council.

Joining Student Council

- We have over 120 students that apply for Student Council each year.
- To join Student Council, we have to go through a 3-step process:
 - Complete a 1-page essay explaining why we should be on Student Council and demonstrate our feelings toward serving others.
 - Participate in an interview with Mrs. Reynolds explaining "why we should be on Student Council."
 - Receive good scores from our teachers about our class responsibilities and overall behavior.
- Once we've qualified, Mrs. Reynolds draws names out of a hat in an equal way.

Two Teams—One Purpose

Our Student Council is divided into two groups:

The Bee Team and The Green Team.

The Bee Team—Duties

The Bee Team is responsible for announcements every morning.

The Green Team—Duties

The Green Team is responsible for recycling every week and sidewalk duty everyday.

We have spirit, yes we do!

We make sure to show school spirit by wearing our school colors and trying to be good examples to all students.

Leaders Need Training

By attending the UAESP Student Council Conference at BYU, CLAS Ropes Course in Provo, and our monthly meetings, Mrs. Reynolds makes sure we learn what it takes to be a good leader.

Leaders Need Training

Making friends at BYU

Learning to work together at CLAS Ropes

Leaders Need Training

Ropes

School Leaders Serve Their School

Besides the areas we've mentioned, our Student Council serves the school in other ways:

- Runs a store
- Teaches and performs in assemblies
- Helps run school activities

Leaders Serve the School

Helping
with turkey
bowling

Helping at the Storytelling
Festival

Leaders Serve the School

Performing at School Assemblies—
We've sung, danced, or made a
movie every year!

Counting money for
Penny War-7 years & "counting!"

Leaders Serve the Community

In the 7 years that we have had Student Council at Park View Elementary, we have served our global community in many ways!

- Held 7 Penny Wars for Christmas, helping over 50 families in the Park View area
- Given money and supplies to various charities including:
 - Quilts for Haiti Earthquake Survivors
 - Money for schools in Kenya
 - Make-a-Wish Foundation
 - National Breast Cancer Foundation

We Love Student Council at Park View ... where we always,
DARE TO BEE GREAT!
